Company Director

Vision & **Mission**

Vision

To be the preferred hygiene solutions provider for both corporate, commercial, and domestic partners and clients.

Mission

Our mission is to provide the healthiest and cleanest environment possible. We will take lead in providing high quality feminine sanitation facilities, use of modern cleaning technology and qualified workforce, to the satisfaction of our partners & potential clients.

Our Services

We provide our clients with a complete package of hygiene services including sanitary bins provision & servicing, pest control, laundry and professional cleaning services. This ensures that our clients are covered at all fronts, giving them peace of mind.

Sanitary Bins

Our sanitary bins are discreet and hygienic solutions for the safe disposal of feminine hygiene products, ensuring a clean and odor-free restroom environment in your facility.

Pest Control

Our pest control service is your trusted solution for eradicating and preventing unwanted pests from invading your space, ensuring a pest-free and comfortable environment for you and your family or business.

Laundry

Our laundry service takes the chore out of your hands, ensuring your clothes and linens are cleaned, fresh, and neatly folded, so you can enjoy more free time and the confidence of looking your best.

Cleaning Services

Our cleaning services encompass a wide range of professional cleaning solutions tailored to meet your specific needs, ensuring a spotless, refreshed, and inviting space for you to enjoy and thrive in.

Sanitary Bins

At Diva Hygiene, we prioritize hygiene and comfort, offering comprehensive sanitary bin installation and disposal services for a diverse range of clients, including Corporates, Industries, Hotels, Shopping Malls, and residential areas. Our tailored approach ensures that your specific needs are met while maintaining the highest standards of sanitation and germ control. We provide a variety of attractive and discreet sanitary disposal bins, available in various designs, colors, and capacities to seamlessly integrate into any location. Our stylish and elegant tray design conceals disposed sanitary waste during the disposal process, enhancing privacy and comfort.

Our commitment to hygiene extends beyond aesthetics. All our sanitary bins are regularly sanitized with high-quality powder and equipped with deodorants to break down bacteria and eliminate unpleasant odors. We prioritize frequent changes to minimize the possibility of any unpleasant odors. Rest assured, all our sanitary disposal units conform to current legislation and are hygienically treated and maintained. You have the flexibility to choose between automatic sanitary disposal units for touchless operation or pedal-operated options for added hygiene. Our service intervals are adaptable to your specific needs, with weekly servicing contracts recommended for enhanced hygiene control. We aim to provide on-site servicing to prevent any interchange of sanitary bins and potential contamination across sites.

Choose Diva Hygiene for a comprehensive solution that ensures a clean, hygienic, and comfortable environment for your space.

Pest Control

At Diva Hygiene, we understand the importance of maintaining a clean and pest-free environment for your business or residence. Our professional pest control services cater to a wide range of clientele, including Corporates, Industries, Hotels, Shopping Malls, and residential areas. Our experienced and trained staff conducts a thorough site inspection before commencing any treatment, allowing us to assess the extent of the pest infestation and recommend the most effective solutions. We take pride in offering tailored advice and cost estimates to meet your specific needs.

What sets us apart is our commitment to your long-term satisfaction. We don't just stop at pest extermination; we go the extra mile by conducting a post-visit two weeks after the treatment to ensure the success of our efforts. Moreover, we provide valuable guidance on preventive measures to shield your property from future infestations. Our comprehensive approach also includes the option for periodic fumigation contracts, customized to your preferences. From common pests like cockroaches and rodents to more challenging infestations, such as termites and bed bugs, our expertise covers a wide array of unwanted intruders. Choose Diva Hygiene for reliable, effective, and lasting pest control solutions that safeguard your space and peace of mind.

Laundry

Laundry is a chore that we all have to deal with, but at Diva Hygiene, we believe it doesn't have to be a burden. Our laundry service is designed with your convenience, peace of mind, and comfort in mind. Imagine never having to sort, wash, dry, fold, or iron your clothes again. Our dedicated team of experts is here to handle all of that for you, and more. We use state-of-the-art equipment and eco-friendly detergents to ensure that your garments receive the utmost care while achieving spotless results.

What sets us apart is not just our commitment to cleanliness, but our dedication to making your life easier. With our laundry service, you'll have more time to focus on what truly matters to you – whether that's spending quality moments with your family, pursuing your hobbies, or simply relaxing after a long day. Moreover, we understand that your clothing is an investment, and our meticulous approach ensures that they remain in excellent condition, extending their lifespan.

But it's not just about convenience and quality; it's also about trust. When you choose Diva Hygiene, you're choosing a team of professionals who treat your garments and linens as if they were our own. Our attention to detail and commitment to customer satisfaction mean that you can rely on us for consistently outstanding results.

Experience the difference with Diva Hygiene – where convenience meets quality in every load.

Cleaning Services

Cleaning is more than just a chore; it's about creating a space where you can truly thrive. At Diva Hygiene, we understand the profound impact cleanliness has on your health, comfort, and overall well-being. Our cleaning service is not just about tidying up; it's about transforming your environment into a sanctuary of cleanliness and serenity. We go beyond surface cleaning, using advanced techniques, eco-friendly products, and a team of dedicated professionals who treat your space with the utmost care.

What sets us apart is our unwavering commitment to excellence. We meticulously clean every nook and cranny, ensuring that dust, allergens, and germs are banished, leaving behind a spotless, fresh, and healthy living or working space. With our services, you can reclaim precious time and energy that would otherwise be spent on cleaning, allowing you to focus on what truly matters in your life.

Moreover, when you choose Diva Hygiene, you're not just selecting a cleaning company; you're opting for trust, reliability, and transparency. Our team is trained to pay attention to the smallest details, ensuring that every corner of your space is immaculate. We take pride in our work, and our commitment to customer satisfaction means that your expectations will not only be met but exceeded.

So, why should you choose us for your cleaning needs? Because we don't just clean; we transform. We create spaces that inspire, rejuvenate, and elevate your quality of life. Our cleaning service is a reflection of our dedication to your health and happiness. Experience the difference with Diva Hygiene – where cleanliness is not just a task but a commitment to enhancing your life and surroundings.

Our Guiding Principles

1

Seamless customer response service & ease of communication

We prioritize prompt and effective customer support through our official telephone lines, fostering strong and enduring relationships with our clients. Our company culture places significant emphasis on building long-term partnerships, aiming to consistently enhance the quality and value of the services we offer

2

Consistency & Exclusive Sustainability

Reputation is key to us and we ensure our services are consistent – maintaining high quality standards at all times. We are keen on environmental concerns and other aspects of sustainability; hence we use eco-friendly products. In cases where we require to use chemicals, our staffs are properly trained in handling and disposal techniques for both personal & environmental safety.

3

Customer experience & relationship management

Right from the engagement stage, to contracting through the partnership period we seek to ensure our customer experience and relationship remains mutual & professional. We ensure our customer are satisfied and happy. We appreciate feedback and work on the principle of word of mouth marketing and referrals.

4

Health and safety of our clients and staff

We are committed to protecting our clients, staff and the environment. We therefore strictly follow all regulations and guidelines provided in relation to the services we offer.

5

Hands-on management

The company's Directors are personally involved in the day-to-day operations of the company and regularly meet with our clients for feedback.

Our Staff & Our Promise

Our Staff

Our workforce undergoes systematic training to execute their responsibilities safely, efficiently, and with a superior level of expertise. This training encompasses both task-specific instruction and comprehensive equipment operation induction. Furthermore, we foster a culture of initiative among our teams, ensuring the ability to consistently deliver exceptional service, regardless of the circumstances. Additionally, we prioritize ongoing training for our staff to instill not only the technical competencies necessary for their roles but also the proper etiquette for engaging with our valued clients and consumers.

Our Promise

Our promise is:

1. Highly trained, supervised, and uniformed staff members
2. Methodical and systematic approach to all tasks and responsibilities
3. A proactive attitude with a willingness to take responsibility and initiative
4. Delivering unwaveringly consistent and reliable services
5. Maintaining an efficient communication and feedback system
6. Utilizing top-quality equipment and materials for all our services
